I do not think there is any financial opinion to be offered in this case but the file having been referred to me I would only observe that the grants allotted should not be unnecessarily kept in deposits and that in this case I hope that the work would be taken up early and that there will be no further tenders involving revision of estimates, thus postponing the commencement of work for an indefinite period.

Sir,

Subject :- I Part of I stage of drainage work in Turuvekere Town Municipality

--

I have the honor to state that a comprehensive and a part drainage scheme for Turuvekere Town for Rs 25,500/- and Rs 7,000/- respectively were sanctioned in G O No L.98-101/ Rl 8/41-14 dated 5-7-1943 and the first stage of the scheme is to be spread over two years The estimated provision for I part of the first stage of drain work is Rs 3,500/-

The Sanitary Engineer,Bangalore in his letter No 740-3 dated 27-3-1946 states that tenders were called for the above work and the lowest rate received is from Mr Marisamappa and it is 34% above the estimated rate and it involves an extra cost of Rs 1,135-14-0 above the estimated provision as detailed in his letter enclosed in original

The Town Municipal Council, Turuvekere at its meeting held on 15-6-1946 have resolved to pay their extra share of Rs 567-14-0 out of the closing balance of the Municipality and to request Government to sanction their equal quota of Rs 567-14-0 necessitated as per revised terder rates The Municipal President's letter and the resolution dated 15-6- 1946 are also herewith enclosed for kind perusal.

In the circumstances, I request that early sanction of Government may kindly be obtained to the Government share involved as well as to the payment of Municipal quota out

Re - Constructing I part of first stage drains in Turuvekere Town

Sir,

I have the honour to state that Government in thier order No L 98-101/M1 8-41-14 dated 5-7-1948 sanctioned an estimate amounting to Rs 7,000/- for the first stage of the drainage scheme in Turuvekere town, work being spread over a period of two years and cost met in equal proportions by Government and the Turuvekere Minor Municipal Council Tenders for constructing I part of first stage drains in Turuvekere town at a cost of Rs 3,500/- were called for in July 1944 and the lowest tender viz that of Mr S Abdul Azeez, contractor at 42% above the estimated rates was sanctioned by Government in their order No L 3494-7/M1 76-44-2 dated 19-10-1944, the extra cost of Rs 1,470/- involved being also met in equal proportions by Government and the Municipality

But on the 29-5-1945, the approved contractor gave an application to the Sanitary Engineer stating that due to the delay in the acceptance of his tender, he was not in a position to take up the work at his tendered rates, and demanded an increase of 90% over the estimated rates As this demand was exhorbitant, the Sanitary Engineer was instructed to cancel his tender and to call for fresh tenders for the work with a view to obtain favourable rates When tenders were again called for in January 1946, two tenders one at 34% and the other at 48% higher than the estimated rates were received in response to the tender notification The tenders with the co parative statement are herewith enclosed

The tender of Mr Marisamappa is the lowest involving an excess of Rs 1,135-14-0 or Rs 1,136/- as noted in the margin* This extra cost will have to be met in equal proportions both by Government and Municipality The Sanitary Engineer in his letter

in his office Rs 1,750/- being Government contribution and Rs 1,750/- being the Municipal contribution

I request that sanction of Government to the acceptance of the quotation of Mr Marisarappa at 34% above the estimated rates being the most favourable tender and also to the excess cost of Rs 1,136/- involved being met in equal proportions by Government and Municipal Council, Turuvekere, may kindly be communicated early, so that the work may be arranged to be put on hand early, as the Municipal President is urging for commencement of the work

Early orders of Government may kindly be communicated to avoid the tender becoming invalid

Sir,

Re Tender for constructing I Part of first stage Drains in Tiruvekere Town

With reference to your letter No L 7405 dated 20th November 1946, calling for information regarding the above work, I have the honour to state as follows -

2 The Government share of the cost amounting to Rs 735/- sanctioned in Government Order No L 3494-7/41 76-4-2 dated 19th October 1944 has not been drawn and credited to the accounts of the Sanitary Engineer The excess cost that would be involved by accepting the tender of Mr Munisamappa would be Rs 1,136/- over the sanctioned estimate for Rs 7,000/- Out of this extra cost of - Rs 1136/-, Government share would be Rs 568/- which is less than the grant of Rs 735/- already sanctioned towards the excess cost of the above Govern ent Order As such, no further Government grant is necessary, if the tender of Mr Lunimanjappa at 34 above the estimated rates is accepted

3 It is reported by the Sanitary Engineer that the amount of Rs 3500/- referred to is the Government share of the cost of 1750/- for 1943-44 out of the Town Improvement Grants and the Municipal share of the cost of Rs 1750/- for 1943-44 sanctioned in Government Order No L 98-101/MI@-41-14 dated 5-7-1943
